## Children's Musical Theaterworks Scholarship

### Program Guidelines

Children's Musical Theaterworks (CMT) maintains a Scholarship Fund to support those in need of tuition assistance. CMT requests that only **applicants with sincere financial restraints or special circumstances apply**. The intent of this program is to give performing opportunities to youth who may not otherwise be able to afford a program such as what CMT provides.

### Full/Partial Scholarships:

- ▶ Only available to applicants with limited financial resources or special circumstances. Please indicate whether you are applying for a full or partial scholarship.
- ▶ Includes tuition support with no required "payback" policy.
- ▶ Scholarships recipients will be contacted before the cast list is posted - each recipient will have an individualized plan of restitution - depending on individual need and capabilities.
- ▶ No proof of financial status is required, however, CMT reserves the right to, at any time, request some form of verification.
- ▶ Though this scholarship is granted with no requirement to make restitution financially, we will require parents and capable performers to volunteer their time and services. That will be set up at time of acceptance.

### How to Apply:

- ▶ Complete the attached form and submit at the registration table.
- ▶ Scholarships are limited, but CMT will fund as many requests as it is able. If applications exceed allotted number of scholarships available then recipients will be determined by a lottery.
- ▶ In order to benefit as many performers as possible, CMT must limit scholarships to one per performer per calendar year.

*Please note that if you are under 18, your form must be signed by a parent or legal guardian prior to submitting the application. Otherwise you will not be allowed to audition for this production.*
