April 15, 2010

Dear Corporate Event Planner/President,

If you are planning your corporate or office holiday party for 2010, we'd like you to consider treating your associates to a wonderful evening at Musical Theaterworks Fresno production of "Winnie the Pooh, Kids" & "Magic at the Memorial".

Your evening can begin at Memorial Auditorium in downtown Fresno, with a buffet, holiday music and camaraderie in the theater foyer before the show. Then you and your associates will move into the historic Memorial Auditorium to enjoy Fresno's premiere of the new Disney musical "Winnie the Pooh, Kids" & "Magic at the Memorial" with performances on Dec 10, 11, 12, 16, 17, 18, and 19th.

Your company can buy the entire house (470 seats) for \$4,500. That is less than \$10 a ticket for a fabulous show! Buffet and beverages are extra depending on your party needs, but the price can range from a dessert buffet at \$8 per person to a light dinner buffet at \$15 a person. We'll work with you to make the party fit your budget and your entertaining inspiration.

If your office or group is smaller, you buy a portion of the house! Just let us know what you have in mind and we'll work together to create a memorable holiday event for your company or group. (The minimum size for the discounted ticket price of \$10 is twenty people.)

Let us create a custom event for your company - live theater at movie multiplex prices!

So call us (559-442-3140) or e-mail (cmtworks@sbcglobal.net) today and have a fabulous time in Downtown Fresno!

Sincerely,

Judy Stene
Executive Director CMT/MTF
